

Family Medicine physicians

Quinte Health Care North Hastings Hospital is seeking additional family medicine physicians.

Physicians can enjoy comprehensive rural medicine which may include acute care inpatients, emergency medicine, flexible call, community medicine, clinics, house calls, long term care, family health teams, family health network, and/or solo/group practice.

QHC North Hastings Hospital is a rural acute care hospital that has six inpatient beds. QHC North Hastings Hospital is the smallest and most rural of the four hospitals which make up Quinte Health Care. The team includes highly trained and skilled nurses and support staff.

QHC North Hastings Hospital is located in the beautiful town of Bancroft in a health care campus, which also includes a 110 bed long term care facility, a satellite dialysis clinic, public health office, CCAC, and Community Care North Hastings.

QHC North Hastings offers the opportunity to educate/mentor medical students and residents from Queen's University and the University of Ottawa.

Local secondary level hospitals in Belleville and Peterborough offer excellent support to QHC North Hastings. QHC Belleville General Hospital offers 24 hour support from internal medicine, intensive care, general surgery, orthopaedics, urology, pediatrics, anesthesia, obstetrics and gynaecology, psychiatry, otolaryngology, and radiology. Tertiary care centres are located in Kingston, Toronto and Oshawa.

A variety of payment options are available for either full or part-time work.

In return for a five-year commitment to practice, medical students, residents and new graduates may be eligible for a financial support package of \$150,000 from Hastings County. More information on the county incentive is available here:

Additional incentives are available through the Northern and Rural Recruitment and Retention Initiatives, which provides up to \$101,000 paid over 4 years. Physicians deciding to practice within the North Hastings Family Health Team are eligible for additional incentives.

Quinte Health Care

Quinte Health Care has 1,800 staff members and 320 medical staff who provide a wide range of high quality health care services to a region of 160,000 residents. Care is provided through four hospitals – QHC Belleville General Hospital, QHC North Hastings Hospital, QHC Prince Edward County Memorial Hospital and QHC Trenton Memorial Hospitals – and includes four emergency departments, operating rooms at three sites, inpatient services (including acute medicine, intensive care, obstetrics, paediatrics, mental health, complex continuing care, rehabilitation and surgery), a rehabilitation day hospital, children's treatment centre, ambulatory care clinics, community mental health programs, and a range of diagnostic services.

The Quinte area is in south-eastern Ontario. Our hospitals are located in Belleville, Picton, Quinte West (includes Trenton and Brighton), and Bancroft. The area includes some of the most diverse and beautiful countryside in Ontario. From the lakes of Bancroft down to the wine country, picturesque towns, and Sandbanks beach of Prince Edward County, and through the more urban Belleville/Quinte West/Brighton corridor alongside Lake Ontario, almost every lifestyle interest can be found within the communities served by QHC. The region offers low cost of living, affordable homes, and excellent schools as well as quality local theatre, shopping and restaurants. Belleville and Quinte West are located along the highway 401 corridor, and Toronto, Ottawa, Montreal, and Kingston are all easy driving distance.
