

Paediatrician

Quinte Health Care has one vacancy for a Paediatrician (full-time, permanent).

We are looking for 1 full-time Paediatrician to complement our current department of five members.

Our Maternal Child Unit, based at QHC Belleville General Hospital, has 10 paediatric beds, an eight bed intermediate care nursery (special care nursery) for high risk newborns and a special observation room for paediatric patients, two operating rooms for caesarian sections, and a 17 bed obstetrical unit. The unit was redeveloped in 2000.

We also have a Children's Treatment Centre, which provides multidisciplinary assessment and rehabilitation to children from birth to nineteen years of age who experience physical, neurological and developmental difficulties.

Additionally, on-site is our busy Paediatrics clinic.
