STEPS FOR NEW VOLUNTEERS:

Helping Hands, Giving Hearts

- ⇒ RSVP for the upcoming Volunteer Information and Orientation Session held the last Thursday of every month at 1:30 in the Volunteer Services office. There is now an online orientation option if you are unable to attend in person. Visit the volunteer section of the QHC website: www.qhc.on.ca. If you can not attend at that time and can not do the online version, please call or email to make alternate arrangements: email: cwalker@qhc.on.ca or call: (613)392-2541 ext. 2689.
- ⇒ Provincial law mandates that anyone working/volunteering in the hospital must have health screening completed including TB testing and proof of immunization. Forms will be given out at the orientation session to take to your family doctor or to the health unit. There may be a fee for this service. The completed form should be handed in to the volunteer services office.
- ⇒ New volunteers must provide the TMH Auxiliary with an incident-free police background check.
- ⇒ All new volunteers become members of the TMH Auxiliary and receive its newsletter and can attend the general membership meetings.

**JOIN THE TMH
AUXILIARY**

There are few organizations you could volunteer with that impact everyone, of all ages and circumstance; the TMH Auxiliary is one of them. This is an opportunity to invest your helping hands and giving heart to healthcare—something we all need.

The TMH Auxiliary provides Volunteer Services for the clients and staff of the healthcare facility and for the community. The fundraising projects are designed to augment the equipment and benefit projects directly related to the Trenton site of QHC.

Join the Trenton Memorial Hospital Auxiliary!

1. Physiotherapy Volunteer:

Provide service and assistance to patients and staff in the Physiotherapy Department. Example of tasks: make compresses, porter patients, and supervise exercises.

2. Inpatient Unit Volunteer:
